Dear Editor,

We would like to submit for your evaluation our original manuscript entitled “**Proximal retention grooves may increase early fracture strength of ART restorations**” to be published on ***Brazilian Dental Science*** and to state that this manuscript is not concurrently under consideration for publication in another journal.

Find attached below the contributions of each author and the potential reviewers details.

We confirm that the manuscript has been read and approved by all named authors and understand that the Corresponding Author is the sole contact for the Editorial process.

Yours sincerely,

Érica Priscila Fernandes

Maria Cristina Carvalho de Almendra Freitas

Paula Vanessa Pedron Oltramari

Ricardo de Lima Navarro

Rafael Menezes Silva
