Dear Editor,

Please find enclosed the manuscript "Cytotoxicity of a conventional and a self-etching adhesive system on human pulp fibroblasts" to be considered for publication at the Brazilian Dental Science.

In addition, on behalf of the authors of this manuscript, I declare that the abovementioned manuscript has not been and is not currently being considered for publication, in print or electronic format, in any other journal.

Hoping to hear from you at your earliest convenience. I thank you for your kind attention. Sincerely yours,

Bruno Neves Cavalcanti
(on behalf of all authors)
