Dr. Sérgio Eduardo de Paiva Gonçalves  
Editor-in-chief, *Brazilian Dental Science*

Dear Dr. Gonçalves,

I am submitting the paper entitled "Nifedipine-Induced Gingival Overgrowth" to your appreciation. This is an original paper and has not been published anywhere else, and has been submitted only to this journal.

I hope this piece of work is suitable for publication at the *Brazilian Dental Science*.

Sincerely,

  
Andrea Carvalho De Marco
