Dr. Kamal Ebeid attended Ain Shams University in Cairo, Egypt, where he received both a bachelor's degree in dentistry and a master's degree in fixed prosthodontics. He went on to complete a doctorate degree at Christian-Albrechts University in Kiel, Germany.
Since 2009, Dr. Ebeid has operated a private practice in Cairo, providing general dentistry services with a focus on cosmetic dentistry. He is also a founding partner of Digital Dental Academy, one of the leading dental labs in Egypt. Dr. Ebeid has several publications in the field of dental ceramics. He serves on the editorial board for several dental journals, and regularly performs educational lectures both domestically and internationally.
