Dr. Marchini' s current research focus includes geriatric dentistry, and patient satisfaction with dental treatments. Dr. Marchini is also interested on researching about the best way to teach dentistry, with particular interest to geriatric dentistry. He has published six textbooks, 15 book chapters and 161 peer-reviewed articles, including those written in both Portuguese and English languages. Eighty-eight of those articles were included in the Scopus database, and have received 822 citations, resulting in an h index=15, as of March 5 2021.

Dr. Marchini is former chair of the American Dental Education Association's Gerontology and Geriatric Section (2016-2017), and former councilor of the European College of Gerodontology (2014-2017). He is currently Councilor of the the American Dental Education Association's Gerontology and Geriatric Section Section (2018-2021), Chair of the Special Care Dentistry Association Council of Geriatric Dentistry (2019-2021), Secretary/Treasurer of the International Association for Dental Research Education Research Group, and a member of the Task and Finish Group for Gerodontology of the European Geriatric Medicine Society (2018-).
